## EMERGENCY TREATMENT:

A minor may not be treated, even in an emergency, except when, in the opinion of the attending physician, a life is in the balance. Written consent is required for all treatment given in any emergency room/center. Consent of a parent or legal guardian is necessary for unmarried minors, under 18, except in the case of extreme emergencies. **TO WHOM IT MAY CONCERN:** As a parent and/or legal guardian, I do herewith authorize the treatment by a qualified and licensed medical doctor of the above minor in the event of a medical emergency which, in the opinion of the attending physician, may endanger his/her life, cause disfigurement, physical impairment or undue discomfort if delayed. This authority is granted only after a reasonable effort has been made to reach me. This release form is completed and signed of my own free will with the purpose of authorizing medical treatment under emergency circumstances in my absence.
